PDF Generated on 10/29/2013

1. Notice that your invoice has an invoice number.
2. The description of your service or charge will appear in the area under description.
3. The "total" is the total you are being charged for your services on this invoice.
4. The "balance" is the amount owed on this invoice. This number will be the same as the total if no credits or payments are applied on your account.
